

HEAT FLASHES,  
DIZZY, NERVOUS

Mrs. Wynn Tells How Lydia E. Pinkham's Vegetable Compound Helped Her During Change of Life.

Richmond, Va.—"After taking seven bottles of Lydia E. Pinkham's Vegetable Compound, I feel like a new woman. I had a headache during the change of life and was also troubled with other bad feelings common at that time—dizzy spells, nervous feelings and heat flashes. Now I am in better health than I ever was and recommend your remedies to all my friends."—Mrs. LYDIA WYNN, 4112 E. O Street, Richmond, Va.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Such warning symptoms as a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness.

For these abnormal conditions do not fail to take Lydia E. Pinkham's Vegetable Compound—Advt.

3-MONTHS ROBBER CHASE  
ENDS IN A SHOOTING

Four Men Arrested Here for Daring Hold-Up—One Shot in the Hip.

Four men, wanted in connection with the Metropolitan Dairy Company robbery of June 15, are prisoners here today after a three months pursuit through several cities.

The four were picked up last night by three Central Bureau detectives at Avenue A and East Twenty-fourth Street. They started to put up a fight, and Detective Morrell fired, wounding one man, who later at Bellevue said he was Michael Haloran of No. 210 East Twenty-seventh Street, in the hip.

The others were taken to the East Twenty-second Street Police Station, Frederick Hall, thirty-two, of No. 843 Third Avenue, was locked up on a warrant issued on June 29 by the Clerk of the Bronx County Court charging robbery. John Martin, twenty-one, of No. 2743 Eighth Avenue, was locked up on a charge of acting in concert in connection with the milk company burglary, and Harry McDonald of No. 21 Macomb's Place, was held on the same charge.

On June 12 seven masked bandits entered the large distributing station of the Metropolitan Dairy Company at One Hundred and Seventy-sixth Street and Park Avenue and made four employees keep silent by showing revolvers. The intruders were drilling the safe, where \$1,000 was locked, when one of the employees escaped and gave the alarm.

One of the burglars was captured and is serving a term in Sing Sing.

Boy Bitten by a Stray Dog.

Frank Bieder, fifteen years old, of No. 467 Flushing Avenue, Williamsburg, was attacked and severely bitten by a stray dog as he left his home this morning.

Passersby beat the dog off with clubs. The boy's leg was so badly mangled he had to be attended by Dr. Waterbury of St. John's Hospital.
